1/5/2025	1/29/2025	Tianna- Happy New Year. Could you provide me with the document referenced in CUP 16-02 signed by Kottkamp on 2/23/17 and specifically IV. 'Conditions Of' #2. There is reference to documents dated 12/23/16 and I can't be certain that these have been provided in prior PRR's. I apologize if this is a duplicate request. Original PRR Ref#C000168-070223. Thank you.
2/6/2025	2/13/2025	Tianna- In your 1/29/25 response to my PRR C002041-010525 you indicated that DCTLs was not required to retain documents pertaining to CUP 16-02 specifically dated 12/23/16 for the 'life of the agency.' Could you review my attached documents from the WA Secretary of State (not a complete set) and update me on Douglas Counties position. Thank you.
3/17/2025	3/25/2025	Tianna- Could you please provide me with all documentation that might exist for a grading and land clearing permit or other documents that might exist to allow for a mining operation on parcels 26211210057, 26211210047 and 26211210046. Possibly a CUP permit exists for this disturbance? I have already checked with DNR (PDR 10200) and they assure me they have not issued a mining permit at the state level. Thank you once again for your time. Brian Hager

2/5/2025	2/11/2025	A copy of the approximately \$4,000,000 grant received by Douglas County and the NCW Behavioral Health Organization (now defunct) for remodeling and improving the premises known as Parkside for use as a mental health facility as referenced in the attached lease. Please include any qualifications, restrictions or limitations on permitted uses of the funds and the facility as a condition of the grant as well as any information pertaining to the enforcement of such restrictions or limitations. I first asked for this from the Washington State Commerce Department. They said they did not have it and suggested the City of Wenatchee. Wenatchee says that they don't have it and suggested Douglas County. Thank you.

We received email from State DOH saying the papers needed to be pulled manually and to expect 4-6 weeks. Last week I talked to someone in the Clerks office who stated they did not receive the request. She verified that the records are on micro-phish. She asked us to request via online. Please feel free to contact us at 5095209899 Thank you Rob Nelson

3/10/2025	3/12/2025	We are looking for the coroner's reports on two teenagers killed at approximately 1:28 p.m. Feb. 9 on state Highway 28. In that crash, a 17-year-old driver's 2007 Toyota Camry struck a bus head-on, killing both the driver and a 17-year-old passenger. The crash resulted in multiple injuries to bus passengers. As the families have already been notified of the deaths, the coroner's reports including the names, ages and hometowns are a matter of public record. And while the state patrol may be continuing to investigate, the names of the individuals involved is no longer "essential" to law enforcement, as the driver at fault and passenger are deceased. RCW 42.56.240(1) requires non-production of the record to be "essential to effective law enforcement." Bluntly put, the juvenile cannot flee prosecution, so withholding the name is no longer "essential." We look forward to receiving the coroners reports as soon as possible.

3/12/2025	3/18/2025	I respectfully request all documents related to the Mansfield Airport 8W3. I believe there was a county road that went straight through the airport until it was relocated. The airport was purchased by Loyd Farmer in around 1948 or 1949, and completed on April 23, 1950. Operated by Locals and Town of Mansfield, Transferred to Douglas County around 1970 and transferred to Douglas County Port around 1996. I'm just trying to get all the records, values, agreements, history. Thank you very much for your time.
