7/15/2025	7/17/2025	Good afternoon, My name is Victor Johnson, and I am a Research Assistant for Dr. Benjamin Jaros (cc'ed) with the State and Local Governance Initiative at Stanford University's Hoover Institution. I am reaching out because we have been conducting a research project on state and local public finances. In that context, I am wondering if you could help direct me to find an annual report with total revenues, expenditures, property tax collections, and public debt for Douglas County? If possible, could you send me that information or direct me to someone who could help me find it? Thank you for your time and consideration. Best regards, Victor Johnson ----- Victor Johnson Research Assistant State and Local Governance Initiative Hoover Institution, Stanford University
7/30/2025	8/5/2025	Good morning. A few weeks ago I requested an annual report with total revenues, expenditures, property tax collections, and public debt for Douglas County. I was sent "Fund Resources and Uses Arising from Cash Transactions" and "Schedule of Liabilities" for 2024. That was helpful information, but I now request the same documents for any/all years from 2000-2024. I am a research assistant for Dr. Benjamin Jaros at Stanford University's Hoover Institution and this data would be very valuable to our research. Thank you.
