*** End of report ***

ELECTION RESULT ANOMALIES AUDIT RESULTS

Election: 2026 February Special

No anomalies were detected in the review of these initial preliminary Election Night Results

Per WAC 434-261-110, Precinct results, showing overvotes and undervotes, were inspected by the county canvassing board, or their designees, for anomalies that may indicate problems with the hardware or programming used to tabulate the votes. Anomalies may include, but are not limited to, an abnormal number of overvotes, undervotes, vote distribution, and voter turnout in any precinct, race, or jurisdiction. I attest this this inspection was completed within two days of the election.
