If you determine that some or all of the requested information is exempt from disclosure, I ask that you: 1.State whether the exemption is mandatory or discretionary under Washington law; 2.Provide a written explanation citing each specific statutory exemption relied upon; 3.Release all reasonably segregable portions of otherwise exempt records; 4.Identify the name and title of each individual involved in the decision to withhold any portion of the record. If clarification is needed to process this request, I can be reached at chikitha262@gmail.com. Finally, please notify me in advance of any duplication charges that may apply to records maintained in physical format so I may decide which records I want copied. Please also notify me in advance of any charges for records maintained in electronic format, though again, such charges should not apply under current PRA guidance when transmission occurs via email or download link.
